

HATFIELD TOWNSHIP

DUMPSTERS & STORAGE PODS PERMIT PROCEDURES

PART I – Location of Property – Complete address including city, state and zip code must be provided on all applications.

PARTS II thru V – Complete every section.

PART VI - Plot Plan – Show all dimensions of entire property (length x width and square feet of entire lot). Identify streets adjacent to property. Place all buildings, with size dimensions (length and width) indicated, within property lines and indicate whether existing or proposed. Indicate front yard, side yard, and rear yard setbacks by showing the distance from deck to property lines on all sides. **The property owner is responsible for the accuracy of this plot plan. On-lot sewage disposal systems and/or any easements/deed restrictions must be indicated.**

PART VII – Sign and date application. If property resident is not the owner of the property, a notarized statement indicating the owner’s approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and contractor may be reached. Contractors making application must be registered with the township prior to starting construction.

SPECIFICATIONS

- Dumper or storage unit may remain on a property for 30 days, with up to two (2) 30-day extensions.
- Dumper or storage unit may not be placed on street.

ADDITIONAL INFORMATION

FEES – Permit fees must be submitted with the permit application. If paying by check, please make check payable to “Hatfield Township”.

REVIEW – The application will be reviewed by the Code Enforcement and Zoning Departments for compliance with all Township codes and ordinances.

PERMIT GRANTED – **Work may not start until a permit has been approved and granted.** The permit cards are to be displayed so as to be visible from the street.

INSPECTIONS – Call the Township Office (215-855-0900) at least 24 hours in advance to schedule each inspection. Responsibility for notification of inspections lies with the applicant and/or contractor.
