

# **HATFIELD TOWNSHIP**

## **ELECTRICAL - TELECOMMUNICATION/DATA PERMIT PROCEDURES**

*An electrical permit is required for all new construction including all renovations and alterations of electrical and telecommunications/data work.*

**PART I** – Location of Property – Complete address including city, state and zip code must be provided on all applications.

**PARTS II Thru IX** – Complete this section.

**PART X** – Sign and date application. If property resident is not the owner of the property, a notarized statement indicating the owner's approval of the proposed construction must be submitted with the application. Provide phone numbers where property owner/resident and or contractor may be reached. Contractors making application must be registered with Hatfield Township annually.

### **PLANS AND SPECIFICATIONS**

- Three (3) copies of all plans and specifications must be submitted with all applications for electrical and telecommunication/data permit.
- Plans should show all wiring & panel schedule details.
- All Non-Residential plans must be designed and sealed by a design professional.
- State Contractor License Number required for all home improvement work.
- **Note: Any Fire Protection wiring (alarms and or monitoring systems) requires a Fire Protection Permit separate from the electrical permit.**

### **ADDITIONAL INFORMATION**

**FEES** – Permit fees must be submitted with the permit application. All fees include electrical inspection/plan review fees as per fee schedule. If paying by check, please make check payable to “Hatfield Township”.

**REVIEW** – The application will be reviewed for compliance with all State and Township codes and ordinances. All non-residential or multi-family dwellings use 600 amp service will be reviewed by United Inspection Agency at an additional fee.

**PERMIT GRANTED** – **Work may not start until a permit has been approved and granted.** The permit cards are to be displayed so as to be visible from the street.

**PLUMBING, ELECTRICAL AND HVAC** – All plumbing, electrical, heating and air conditioning contractors and/or their personnel must be registered and provide a Certificate of Insurance verifying Worker's Compensation coverage, and Federal or State Employer Identification Number (EIN). In addition, each contractor must obtain the appropriate permits for the work to be done.

**INSPECTIONS** – All electrical inspections will be preformed by **UNITED INSPECTION AGENCY, INC.** Call United Inspection Agency (215-542-9977) at least 24 hours in advance to schedule each inspection. Responsibility for notification for inspections at the various stages of construction lies with the applicant and/or contractor. If the appropriate inspections are not requested, uninspected work will not be granted final approval.
